

Christmas *at* Callanwolde

Event Dates

November 23rd to December 9th

CAC 2018 OVERVIEW

Christmas at Callanwolde has been an Atlanta tradition for over 40 years. For 17 days, the 27,000 square-foot Gothic Tudor Candler Mansion operates as a Designer Show House, highlighting work from Atlanta's top interior designers. Each designer (or team) decorates one of the 15 available spaces. Designers are able to sell all items in their rooms, and are required to give 20% of their sales to Callanwolde. Christmas at Callanwolde is our largest fundraiser, and helps provide affordable, high-quality fine arts classes for the community.

Goals for 2018: Christmas at Callanwolde 2018 will recapture the magic of Christmas Past. Each room should harness nostalgia from the 1920's and other classical Christmas design elements.

Please note:

- Each room needs to have a large selection of items for purchase in varying price ranges.
- Designers should be able to clearly articulate their inspiration and design story as it will be featured on the Callanwolde website and Christmas at Callanwolde Brochure.
- Communication with Callanwolde throughout the year with questions/ideas/recommendations is essential

CAC 2018 IMPORTANT DATES
